## **Summary:**

The facilitator contacted Kirtland Neighborhood Association, Victory Hills Neighborhood Association, Clayton Heights Neighborhood Association, and District 6 Coalition Of Neighborhood Associations. A previous facilitated meeting was held in January 2010 involving the above Neighborhood Associations and Coalition. In preparation for that January meeting, Victory Hills stated they were in favor of the project; Kirtland stated they were not interested in a meeting because it was too far from their boundaries; and District 6 stated they would defer to Clayton Heights. Only the Clayton Heights President attended the January facilitated meeting. The previous report has been attached for informational purposes.

The facilitator has received the same response from the above organizations in regard to this application. Clayton Heights and the applicant were unable to find a mutually agreed upon date and time for a facilitated meeting.
